

THE DANANG BIRTH COLLABORATIVE

Cross-Cultural Guide to Birth

A starting point for international and cross-cultural families preparing for birth in Da Nang, Vietnam.

DA NANG

VIETNAM

What this guide will help you explore

Use this guide as a starting point for conversations with your family, doula, and clinical care team. Birth practices and available resources can vary across cultures, families, and care settings.

-
- | | |
|----|---|
| 01 | Preparing for birth in Da Nang
Questions to consider as you learn about local care options, communication, and practical preparation. |
|----|---|
-
- | | |
|----|--|
| 02 | Building your support team
Ways to think about the roles of your family, doula, and clinical care providers. |
|----|--|
-
- | | |
|----|---|
| 03 | Communicating across cultures
Prompts that can help you discuss preferences, expectations, language, and family traditions. |
|----|---|
-
- | | |
|----|---|
| 04 | Planning for postpartum
A starting checklist for recovery, practical help, nourishment, movement, and local connection. |
|----|---|
